Blue Campaign - United States Department of Homeland Security	The Department of Homeland Security provides an interactive, 30 to 40 minute long course online that is based on four videos depicting human trafficking scenarios typically encountered by law enforcement officers while performing routine duties. The course will define human trafficking, explain the indicators, and provide guidance on initiating and building human trafficking investigations. This training is tailored to law enforcement personnel.	Online Training- Webinar	BlueCampaign@hq.dhs.gov www.dhs.gov/blue-campaign-materials-catalog	N/A
The National Center for Missing & Exploited Children - Sex Trafficking Team	NCMEC hosts traditional classroom training sessions at its headquarters in Alexandria, Va., in the Jimmy Ryce Law Enforcement Training Center. Online courses are available through NCMEC's distance learning program, NCMEC University Online. In addition to providing law enforcement with the investigative skills needed to respond to missing and sexually exploited children cases, NCMEC provides healthcare professionals training regarding the prevention of and response to infant abductions. Through June 2014 NCMEC has trained more than 307,000 law enforcement, criminal/juvenile justice and healthcare professionals. Vermont Center for Crime Victim Services: "Sex Trafficking of Minors: Building a Coordinated Community Response"	One day long training focusing on identifying and serving victims of sexual exploitation in the United States. The training centered on the importance of a collaborative, multi-faceted approach among child welfare professionals, youth service providers and law enforcement, to build a collaborative, community based response. Topics of seminars were: "Providing Leadership to Strengthen the Identification, Prevention, and Early Intervention of the Human Trafficking of Children, Understanding the Services in Vermont, Intervening with Victims of Youth Trafficking, and Human Trafficking Law Enforcement POST Certification Training." Presentors provided additional resources and have posted all resources online. This is a yearly training program.		http://www.ccvs.state.vt.us/content/resources-domestic-minor-sex-trafficking-april-30-2014	
Look Beneath the Surface: Rescue & Regional Program	This program funds local organizations to serve as the centers for regional outreach and response to foreign victims of human trafficking that require protection or assistance. The program attempts to establish an anti-trafficking network to identify and work with victims in order to construct a cohesive and collaborative approach to the issue.		http://www.acf.hhs.gov/programs/orr/programs/anti-trafficking/about	
Advanced Human Trafficking Investigation Training	This 3 day course is designed for law enforcement officers, investigators, and human trafficking task force members who are assigned to investigate human trafficking cases through advanced intelligence collection, development, and dissemination. The course places special emphasis on case analysis development, investigation skill development, and an enhanced case coordination and collaborative model with an understanding that the victim is the key focus of case coordination dynamics. Case studies graphically illustrate successful case management.	In-Person Training	www.umcpi.org Dennis Cusick (651)917-2259cor dcusick@umcpi.org

AZPOST - Interview and Interrogation in Child Exploitation Cases	This training will focus on Advanced Interview and Interrogation Techniques to be used in Child Exploitation Cases. Participants will discuss an organized approach to interview and interrogation strategies that are developed through research and preparation. Modules will identify the role that cultural issues bring to the interview and interrogation room; legal considerations that the investigator must account for during the interview and interrogation; the dynamics of the interview process and how to detect deception. Participants will be presented with a case study where the outcome hinged on a successful interview and interrogation.	In Person	www.amber-net.org	Social Services, Prosecutors, and Probation/Parole
Amber Alert - Child Sex Trafficking: Law Enforcement Response	This training is designed to provide law enforcement investigators, human trafficking task force members and social service providers with the information necessary to properly understand, recognize, and investigate cases involving child sex trafficking and exploitation. Modules include a focus on the survivor's perspective and changing perceptions regarding trafficking victims. Participants and instructors will delve deep into the dynamics of trafficking and exploitation to improve their skills related to interviewing the victim and interrogating the trafficker. Further, participants will receive instruction on tactical implementation designed to identify human trafficking and exploitation, conduct enforcement operations as well as receive instruction on the roles of non-profits, probation and parole.	In person	www.amber-net.org	Human Trafficking Task Force Members, Social Service Providers, Prosecutors, and NPO/NGOs
